Dear Mr. Kubic,

Enclosed, please find a copy of the public notice that facilitates the transfer of the community water system serving May River Plantation to the Beaufort-Jasper Water and Sewer Authority. We are scheduled to close this transaction before the end of 2013. It was a requirement that I send you a copy, as well as the residents of May River Plantation. The residents had been notified previously, and BJWSA has already hosted them in a "town hall" style meeting to ensure that the residents are happy with the change.
